

Marysville Pilchuck High School

To Whom It May Concern,

Please consider this brief letter one of recommendation on behalf of Jadelyn Thompson, a student of ours at Marysville-Pilchuck High School.

Academically Ms Thompson excels. She carries an accumulative GPA of 3.97 while having tackled such college prep courses as AP Language and Composition, AP Biology, AP Statistics, and AP Comparative Politics. Jadelyn is ranked 7th in her graduating class of 695 students, is a member of the National Honor Society, and is generally recognized as one of our best and brightest senior students!

As impressive as Jadelyn's academic "resume" appears she is most certainly much more than a "bookworm". One of Jadelyn's passions, and another realm, outside the classroom, where she has excelled, is in the athletic arena. Ms Thompson is an extraordinary volleyball player. She has participated for the past three years on our highly competitive and successful varsity volleyball team and for the past two years received (WESCO) all-conference and (Everett Herald) all-area recognition. In addition, Ms Thompson currently serves as M-P's team captain and wishes to continue competing athletically at the collegiate level. Those who follow the sport believe she will make an outstanding college player as well.

In addition to serving as one of Jadelyn's high school guidance counselors, and becoming familiar with Jadelyn's interscholastic accomplishments, I also count Jadelyn's step-father as one of my good friends and therefore have known Ms Thompson for many years on a more personal level. Whether I see her at school or at her home Jadelyn has always impressed me with her courtesy, her character and her cheerfulness. She is a young person who never fails to greet others with a smile, who speaks and acts with graciousness, and who consistently thinks of others before herself. There are, admittedly, a number of remarkable students whom I have had the privilege of working with over the years but few, if any, combine the academic, athletic, and personal strengths of Ms Thompson. She is truly a young woman of substance, style and grace and it has been a joy watching her "grow up". Please know I recommend Ms Thompson to you without reservation and with great enthusiasm.

Sincerely,

Scott Stokes
